<b>Topic:</b> List of all Crown Estate vehicles in London
<b>Request</b>
<p>Please may you provide me the list of all Crown Estate vehicles in London, as of 28th March 2018.</p> <p>Can this please include:</p> <ul style="list-style-type: none"><li>- Vehicle make and model</li><li>- Fuel usage/capacity</li><li>- Type of fuel (petrol, diesel, biofuel, electric)</li><li>- Depot/Station</li></ul> <p>Please can you also provide information about the current means of refuelling these vehicles? ie. Vehicles are driven to the petrol station, fuel is stored at the depot/station etc.</p> <p>Please provide the details of the individual(s) responsible for organising and managing the fuel needs of the Crown Estate fleet in London.</p> <p>Please also provide information about total annual cost of refuelling the vehicles and what this equates to per vehicle and per litre of fuel bought.</p>
<b>Response</b>
<p>Thank you for your request for information. You asked for a list of all Crown Estate vehicles in London, as of 28th March 2018.</p> <p>You asked for this to include:</p> <ul style="list-style-type: none"><li>- Vehicle make and model</li><li>- Fuel usage/capacity</li><li>- Type of fuel (petrol, diesel, biofuel, electric)</li><li>- Depot/Station</li></ul> <p>You also asked for information about the current means of refuelling these vehicles, details of the individual responsible for organising and managing the fuel needs of the Crown Estate fleet in London and the total annual cost of refuelling the vehicles and what this equates to per vehicle and per litre of fuel bought.</p> <p>I can confirm that The Crown Estate does not own or operate any vehicles in London, so we do not hold the information you have requested.</p>
