<p>I am writing further to your email of 21 October 2019, in which you enquired about the steps taken by The Crown Estate as a landlord to ensure that the Heritage Assets such as barrows on farmland that it owns are protected.</p> <p>The Crown Estate ensures that those properties being let that incorporate assets such as ancient monuments have leases that include appropriate clauses to ensure that they are preserved and not damaged by persons or animals. In addition, it engages with local stakeholder groups as appropriate on issues of restoration and maintenance that include heritage assets.</p> <p>I hope that this information is helpful.</p>
