

The Crown Estate Disclosure Log

Case no: 1153
Date received: 6 December 2019
Subject: Properties in Wales Subject to Escheat
Request response
<p>Thank you for your request for information made on 6 December and your subsequent clarification on 9 December. You asked for a list of properties in Wales which are subject to escheat.</p> <p>Please note that there is no register of land that is subject to escheat, although The Crown Estate is frequently made aware of properties that may be deemed subject to escheat, and that list is attached. For further guidance on this complex aspect of our legal system there is a useful guidance note on Burges Salmon's website: https://www.burges-salmon.com/expertise/core-expertise/real-estate-services/escheat/</p> <p>If you are not satisfied with my response, you may complain or appeal our decision, which will be investigated through an Internal Review. If you are not content with the outcome of the Internal Review, you have the right to refer your complaint directly to the Information Commissioner for a decision. Please note that the Information Commissioner cannot make a decision unless you have first exhausted our own complaints procedure.</p>
