Request response
<p>Thank you for your email in which you made a request for information under the Freedom of Information Act 2000 (FOIA), asking how many animals had been killed as part of wildlife management procedures on the Windsor estate.</p> <p>I can confirm that we hold no information in relation to your request, as we do not keep such records. There is no business need to record this information, as there are no reporting requirements in this area.</p> <p>I hope that this response is helpful. However, if you are not satisfied with the way we have handled your information request, you may appeal our decision which will then be investigated through an internal review. If you are not content with the outcome of that, you have the right to refer any complaint directly to the Information Commissioner's Office (ICO) (contact details are available at: www.ico.org.uk). The ICO will usually expect you to have first exhausted our own complaints procedure before raising any concerns with them.</p>
