Please find your questions below along with their answers.

- What First Aid Training and Mental Health Training, if any, do you provide to your staff?

We currently provide standard HSE first aid at work training and a two-day mental health first aider course.

First aid training is delivered internally, with mental health training delivered by Mental Health First Aid England. The training we receive from Mental Health First Aid England is commissioned on an ad hoc basis – therefore there is no contract expiry date.
